

Dear Valued Clients,

We hope this message finds you well. We are writing to inform you of an Important update to our prescription (Rx) submission process.

Effective immediately, the Bellachek number requirement applies only to cases involving a Bellachek coupon.

For all Bellachek cases, please ensure that one of the following actions is taken at the time of submission:

Actions To Consider At Submission

01

Provide the Bellachek number with the Rx (Digital or physical) , or the physical copy of the bellachek coupon with the case

02

If a Bellachek case is submitted without a Bellachek number or the physical coupon at the time of submission of the case, regular pricing will be applied.

**This requirement does not apply to regular implant crown cases.
Only Bellachek cases require this additional information.**

We appreciate your cooperation in following these updated guidelines, which are designed to prevent delays and ensure smooth case completion.

If you have any questions or need clarification, please do not hesitate to contact us at (301) 321-7129 or via email at infiniatechinfo@gmail.com. Our team is here to assist you.
